To Whom it May Concern:

Recently I received a Filing Receipt for the following patent application:

Application Number: 09/963623

Filing Date: September 27, 2001

Title: NON-CONSTANT REDUCED-COMPLEXITY MULTIPLICATION IN SIGNAL
PROCESSING TRANSFORMS

Applicant: Charles D. Murphy

With this letter I have attached a copy of the Filing Receipt, which shows that the filing fee received was \$463.00. I believe that this value is incorrect, as I describe below.

With this letter I have attached a copies of form PTO/SB/17 Fee Transmittal for FY 2001, the check, and the self-addressed return postcard, all of which were submitted with the original application. Form PTO/SB/17 includes \$355.00 as a basic filing fee, \$108.00 for 12 extra claims beyond the first 20 allowed claims, and \$180.00 for concurrent submission of an Information Disclosure Statement. The total fee from Form PTO/SB/17 and the amount of the check are both \$643.00, not \$463.00.

I made a mistake on the self-addressed return postcard, listing a "personal check for \$463.00" instead of a "personal check for \$643.00". However, the check was for \$643.00, and I would like to make sure that your records reflect this amount.

Sincerely,

Charles D. Murphy

OC000000007001943

Date Mailed: 10/31/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
